## NSBE DETROIT PROFESSIONALS

### General Body Meeting

Thursday October 5<sup>th</sup>, 2017 from 6-9 pm

**DAVID TARVER** is one of the founders at Spacelab Detroit and will be speaking to the audience at this event. He has his Bachelor and Master's degrees in Engineering from the University of Michigan, where he now teaches in the Center for Entrepreneurship. He is also the Senior Counselor to the Provost for Innovation & Entrepreneurship at Wayne State University.

Tarver launched Telecom Analysis Systems (TAS) in 1983 with his partners. Twelve years later, they sold the business for \$30 million. He is also the author of "Proving Ground: A Memoir" that details his entrepreneurial journey, and the crossroads of business, technology and race.

**AUBREY AGEE** is also a speaker for this event. Agee is the Senior Program Administrator of Innovation Warriors at Wayne State University. He has reached over 4,000 participants in their exploration of entrepreneurship.

Aubrey provides strategies to start-ups in various industries including software technology, bio manufacturing, engineering product development, brick and mortar establishments, fashion, film making, food production, and non-profit.
